**KEY on back**

## **KEY**

 testing at this grade is required.

 testing at this grade is at school's discretion, except where required by SIP, specific grant, or program evaluation.

 CogAT is required for any student in grades K, 1, 3, & 4 who have been referred for advanced learner identification screening. For questions on the CogAt, please contact Theresa Campbell at [Theresa.Campbell@mpls.k12.mn.us](mailto:Theresa.Campbell@mpls.k12.mn.us) in the Teaching & Learning Department.

• Computer Delivered Format.

**π** Concepts of Math (COM) is a Teaching and Learning non-accountability Math assessment for Kindergarten to drive instruction. It is an option at grade 1 as well. Teachers will administer the COM and enter the data in Illuminate. For questions, please contact Marium Toure' at [Marium.Toure@mpls.k12.mn.us](mailto:Marium.Toure@mpls.k12.mn.us) or Carey Seeley at [Carey.Seeley@mpls.k12.mn.us](mailto:Carey.Seeley@mpls.k12.mn.us)

 ACT is a College and Career Readiness assessment. For questions on the ACT, please contact the College and Career Department.

 English Language Proficiency assessment: ACCESS (from World-class Instructional Design & Assessment Consortium—WIDA). Online administration except Kindergarten ACCESS, Alternate ACCESS (Special Ed), and grades 1- 5 writing domain, which are paper administrations.

\* High School MCA Science will be administered to all students *completing* Life Science credit (grades 9-12).

\*\* For grades 9-12, the Science MTAS should be administered when the student completes instruction in the life science standards as identified by the Essence Statements for the MTAS. The IEP team determines the most appropriate year for a high school student to take the Science MTAS.
